You will stay at the historic Eastland Park Hotel in downtown Portland (<http://www.eastlandparkhotel.com/>) for \$85/night. A block of rooms is being held for the period June 19 to 21, 2008. You might call now to reserve your room.

The conference will be held at Long Creek Youth Development Center, our southern Maine juvenile facility. The Culinary students will serve breakfast, lunch and. We will provide transportation for the short ride from the hotel to the facility.

A SAG member, Ned Chester, of Portland, has invited all to his house on Thursday evening. Again we will provide transportation.

A lobster bake is planned for Friday evening either at Joan McDonald's home in Biddeford or a restaurant in the Old Port. The Old Port is within walking distance of the hotel however we will provide transportation if needed. We hope we can keep the cost of the lobster bake at the per diem supper rate of \$21.00. The cost of an Old Port lobster feed will be much more, however we know there is a tremendous draw to the Old Port (For us as well!).
